February 1, 2024

Dear Dollar Point Association Member:

Enclosed please find the 2024 Applications, Rules, and Agreement for DPA members to apply for Buoys and/or Kayak/Paddleboard Rack space for 2024. Please read all documents carefully and call the office with any questions.

There will be a lottery for both Buoys and Kayak/Paddleboard space requests done by a random computer-generated drawing in the DPA Office on March 18, 2024. Members will be notified if they are selected for a buoy and/or equipment storage space within a couple of weeks of the lottery.

To apply for any of the above, please fill out and return the completed application (keep your copy of the Rules section) and be sure to initial, sign and date on all applicable pages. **Applications must be postmarked by March 11, 2024 and received by the office before March 15, 2024 to be included in the drawing.** A return envelope is enclosed for your convenience.

The buoy fees have increased to \$1,800 per session to cover the land lease for the beach and buoy field, while weekly remains at \$350 per week, and a holiday rate of \$500. You will be granted a pro rata refund on buoy time relinquished for one week or more if another DPA member on the waiting list is able to rent your assigned buoy. **A \$200 shuttle service fee will be charged for all members who are not buoyed on DPA's field.**

****Important: It is imperative that boats are removed from assigned buoys by the designated date. In prior years, failure to remove has resulted in an increase of staff's time and difficulty for those scheduled to occupy the buoy next. Members whose boats are not removed from the buoys by the designated date and time (Mandatory Removal Date) will be excluded from the following year's lottery, incur a holdover late removal fee of \$200 per day for each day or portion thereof that a boat remains on a buoy beyond the Mandatory Removal Date in violation of the rules, and will be subject to towing and storage fees, if incurred.**

All boats must be removed from the buoy field for the season no later than Sunday, September 29, 2024.

Paddleboard equipment space fees have remained at \$350 per space of one board and \$650 per space with two boards. Kayak equipment space fees have remained at \$350 per space. The limit is two (2) kayak rack storage spots **OR** two (2) paddleboard rack spots **OR** a combination of one (1) kayak space and one (1) paddleboard rack space. **Any paddleboard, kayak or other equipment stored on the beach and not in the properly assigned rack space will be removed and impounded at \$200 per day and the owner will be excluded from the following year's lottery. All paddleboards, kayaks, or other watercraft must be removed from the racks by November 1, 2024. Storage over the winter is not permitted on DPA property.**

Thank you,
Dollar Point Association

ASSOCIATION BUOY / RACK SPACE

RULES & INSTRUCTIONS

GENERAL

- The Dollar Point Association ("Association") or ("DPA") shall have no liability for boats moored on DPA buoys or watercraft stored on DPA racks, nor from DPA's removal of watercraft from the DPA buoy field or DPA property in violation of these Rules. Boat owners are responsible for securing, protecting, and insuring their boats and/or watercraft (including personal property on boats).
- **Lottery drawings will take place on Monday, March 18, 2024.** Members will be notified by mail if they were selected for a buoy and/or equipment storage space after the lottery. After the lottery, the Association will maintain a waiting list for both.
- Refunds may be granted in emergency situations and are subject to approval from the DPA Board of Directors. If you give up any time on your assigned buoy and it can be rented for at least one week by another DPA member on the waiting list, a pro rata refund will be made.
- Gasoline powered watercraft may not be stored on the beach or in the racks. No refueling of boats is to take place on Association property, in the Association buoy field or adjacent to the Association pier.
- The Association reserves the right to deny participation in future lotteries or assignments for buoys and/or storage rack space to any member who violates these Rules.

BUOYS

- For 2024, the Buoy rate per session is \$1,800. The weekly rate is \$350. The holiday rate is \$500.
- **Use of the buoy field is for DPA members only, not for renters or commercial use.** If your boat is included as part of a rental of your Dollar Point property or is anyway available for use by your tenants, it is not eligible for participation in the buoy lottery.
- Beginning and ending session dates have required dates to put boats on or off assigned buoys.
 - First Session: You may go on your assigned buoy beginning Monday, May 13, 2024. You must be off your buoy by 12 Noon on Sunday, July 21, 2024. Weekly requests are from Monday through Sunday.
 - Second Session: You may go on your buoy beginning 12 Noon on Monday, July 22, 2024, and you must be off your buoy no later than Sunday, September 29, 2024. Weekly requests are from Monday through Sunday.
- Only one member from each DPA lot may apply for the buoy lottery. Only one buoy lottery application may be submitted for the same boat, even if another DPA member is also on title. The only boat allowed on your assigned buoy is the one entered into the lottery. Buoy use is not transferable. The moored boat must be registered in the applicant's name.
- The applicant must submit proof of public liability and property damage insurance of at least \$500,000.00 covering claims arising out of use of the boat listed in the application.

- The boat owner is to provide a mooring line **no longer than 12 feet in length**. Boats exceeding 26 feet in length may not be moored in the buoy field. Please check all mooring lines for correct length, and make sure they are in proper working condition. Proper securing and maintenance of mooring lines is the responsibility of the member.
- Members whose boats are not removed from the buoys by the designated Mandatory Removal Date and time will be excluded from the following year's lottery, incur a holdover late fee of \$200 per day for each day or portion thereof that a boat remains on a buoy in violation of the rules, and will be subject to towing and storage fees, if incurred. Pier Attendants are not allowed to move your boats.
- All boats must be removed from buoys **no later than September 29, 2024**. Please plan ahead if you are not going to be in Tahoe at that time.
- The pier attendant/motorized pier boat is available to shuttle members and guests to and from their boats in the DPA buoy field. Only members who have paid for a buoy rental or **have paid the shuttle service fee** may use this service.
- The Pier Attendant will be available (weather permitting), from May 13th through September 29th.

KAYAK/PADDLEBOARD RACK STORAGE

- For 2024, the fee for rack storage is \$350 per kayak space, \$350 per single paddleboard, and \$650 for two paddleboards. No equipment that is more than 14 feet in length or 3 feet in width is permitted without prior approval from the Association.
- Only **two (2) space requests** are allowed per application under the standard allotment. If there are any empty spaces remaining after the lottery, additional space requests may be considered.
- Rack assignments may be determined according to the length of the watercraft; therefore, it is imperative that you provide accurate information and only place the kayak or paddleboard described in the application in that assigned space. If you purchase a different watercraft than the one identified in the application, it must be cleared by the main office and stickered prior to storage on the racks or it will be subject to removal from the beach.
- Two (2) paddleboards will be allowed per space if they fit within the space and do not interfere with the adjoining spaces.
- You must use the rack space assigned to you. If the space has been taken in error, please notify the beach attendant or the pool office for assistance. Audits will take place throughout the recreation season.
- It is highly encouraged to lock your kayak/paddleboard to your assigned rack space.
- Each kayak and/or paddleboard is also required to have a DPA 2024 sticker which is to be picked up at the Association Office.
- **All paddleboard, kayak, watercraft, or other equipment must be removed from the racks and the beach no later than November 1, 2024.** No such equipment or watercraft may be stored on the racks or on the beach during the winter months. Members whose equipment is not removed from the racks by the designated date will be **excluded from the following year's lottery and will be subject to a \$200 fine.**
