

Dear Members

Dumpster Day was a huge success with cars lined up for the entire day. Unfortunately, not everyone could be serviced during the time frame but there is still a way to get your yard waste taken care of. North Tahoe Fire Protection District is doing free green waste drop-offs all summer long, Mon-Sat, from 8 AM - 4 PM at 900 Cabin Creek Road. This service is for Placer County residents, please remember to bring along your ID and proof of residency. Below is the flyer for the green waste drop off and more information can be found at NTFPD's website, <https://www.ntfire.net/>. The next Dumpster Day will be Monday, June 29th from 8 AM - 4 PM.

Sincerely,

Cailin Jope
