

DOLLAR POINT FIRE COMMITTEE APRIL/MAY NEWSLETTER

DUMPSTER DAYS ARE COMING!!!!

(Dollar Point Beach)

May 28 8am - 3pm

May 31 8am - 3pm

Bring your green waste and your DPA membership photo ID. Any non-member Dollar Point resident will be asked for a \$20 donation.

ALERT: Due to low snow/rain this Fall and Winter, we are looking at higher than usual fire danger. Please trim or **REMOVE MANZANITA** from your property as this plant is highly flammable. **NEEDLE AND PINE CONE REMOVAL** is also high priority and Dumpster Days assist with this removal.

When clearing your property of flammable materials don't forget to check your roof and gutters for needle/debris buildup. If you still have a wood roof, consider replacing with fire resistant composite.

DOLLAR POINT IS A FIREWISE CERTIFIED COMMUNITY. This Certificate is posted on our website if you need it for your insurance company. We are required to fulfill requirements for certification each year including community participation in cleanup, hours and dollars spent (including roof replacement). Nate Walker on our committee collects this information to provide to Firewise USA for re-certification. During Dumpster Days you will be asked by our committee for the hours you have spent cleaning and any dollars spent to include in Nate's report.

Our Committee would like to thank the members who have recently donated funds to help fund our projects that help reduce wildfire risk to your homes in Dollar Point. If you would like to donate, please see the form below. DPA is a non-profit recreational association and not a charitable foundation, therefore donations are not tax-deductible.

2021 DPA Firewise Donation Form:

Date: _____ Member Name: _____
Lot number: _____ Dollar Point Address: _____
Firewise Donation Amount: \$20___ \$50___ Other _____

Make check payable to DPA and note this is for the Firewise fund on the check.
Mail form and check to: DPA Firewise Donation, Dollar Point Association, P.O. Box 1490
Tahoe City, CA 96145

REMINDER: We update the [DPA Website](#) with upcoming events, educational opportunities, links to Placer County and local fire organizations to set up alerts and provide guidance for fire safety.

Be on the lookout for Tahoe City Green Waste free disposal days as well as TTSD punch cards for the local dump. Dates have not been provided on their websites yet, but as soon as we see them we will post them to DPA website for you.

Happy Spring!
